Other Information — Please Read

Where there is no glass cassette to foul the door handle the minimum width of the frame may be reduced to 794mm. This applies to the following door styles Bamburgh Solid, Edinburgh Solid, Edinburgh 2, Balmoral, Stirling, Cottage, Cottage Small and Cottage Diamond.

Side Screen & Top Lights

- Ordering Guidelines**
- Drawings must be viewed from outside & all widths & heights include sills & extensions unless otherwise stated.
 - If Doors are supplied unglazed, glass sizes are supplied with our order acknowledgement.
 - Side screens & top lights accept 28 mm glass units.
 - Doors accept 24 mm glass units.
 - Doors with side screens will be supplied separately & joined with flush coupler (unless otherwise advised).
 - Doors with top lights made as one.
 - When a side screen is ordered with a midrail, the midrail height will be positioned to line through with the door midrail if requested.
 - The weather bar and stable opening strip is only available in gold and chrome.
 - If Lever Rim Lock chosen, a multi-point lock is fitted.
 - Mahogany and Mahogany On White not available.
